

Welcome to Gate Farm Certificated Location

## Important information - please read carefully

We hope you will have an enjoyable and relaxing stay with us. Due to the risks of accidentally spreading the Covid Virus please make a careful note of the following important instructions.

**Social Distancing** - children and vulnerable people live on the farm. Please keep to the CL site and the farm drive when on foot, and **keep 2 metres space** between you and other visitors and farm residents at all times. Please arrange to pay your pitch fee either before or when you arrive - bank transfer, card and contactless payments are available.

**Visitors** - we regret we cannot allow visitors to the CL under present circumstances.

**Dogs** must be on a lead at all times, including when on the CL.

**Children** must have adult supervision at all times.

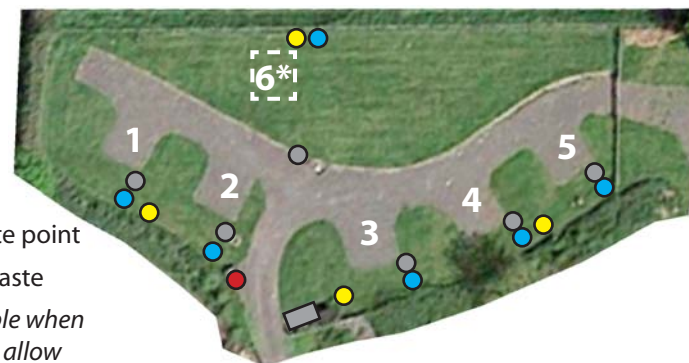

**Driving speed** - children and small animals will be on the farm drive and yards. **Drive at slow walking pace at all times on the premises.**

**Electric hook-up** - each pitch may use one 16amp outlet only, and strictly in accordance with our fair use policy - see notices. Please disinfect the bollard and wash your hands thoroughly if you need to touch it.

**Water taps** - an individual tap is provided for each pitch - please only use the tap marked for your pitch.

## Plan of site

- pitch water tap
  - electricity hook-up
  - grey water disposal
  - toilet chemical waste point
  - recycling and dry waste
- \* grass pitch available when ground conditions allow

**Grey water disposal** - a disposal drain for washing water is provided for each pitch. This drain is for washing water only - no toilet waste, bleach or other cleaning products - use the chemical waste disposal point.

**Chemical Waste Disposal** - is located near the entrance. Please rinse the disposal point thoroughly and disinfect the tap, hose and cover handle **before and after use**. Please wash your hands thoroughly. Hand sanitiser is available.

**Waste Bins** - **please sort your rubbish** - see notices on bin area. Do not leave large items which will not fit in the bin - please take them with you.

- **Recyclable waste:** Tins and plastic food and drink containers must be **rinsed out** and all recyclables placed loose in the bin - **not bagged**.
- **Glass bottles and jars:** please place in the separate container.
- **Broken glass** and sharp objects: wrap securely and place in **other rubbish**.
- **Other Rubbish:** please bag all waste, **especially food waste**.
- **Dog waste:** please tie bag securely and place in **other rubbish**.

**Gate Access** - the main gates open automatically until 7pm, after which you will need to use the fob provided. Hold the fob close to the numeric key pad to open the gates. Please deposit your fob in the box at the main gate at the end of your stay. Fobs will be disinfected before issue and after return.

**Contact** - please inform us if you notice anything which needs our attention or if you need help - please phone **01676 532187**.

Thank you for your attention to these points

Susie & Steve Hammett
